

PRESERVED  
**TREESCAPES INTERNATIONAL**

**REPLA-CLEAN READY TO USE**

Replica/Preserved Foliage & Flower Cleaner is for cleaning and restoring the beauty of your Preserved or Replica Plants/Trees and Flowers. It is scientifically formulated to safely clean by penetrating and removing dust from the leaf surface. REPLA-CLEAN is the ONLY cleaner approved for use with all of Preserved TreeScapes products. It also removes and repels dust that may cause allergies. REPLA-CLEAN is environmentally safe, non-toxic and biodegradable

Directions for use:

1. REPLA-CLEAN will not harm most floor coverings or furnishings. As a precaution, protect adjacent surfaces from over spray.
2. Spray leaves and flowers thoroughly saturating leaves or flowers completely, until cleaner runs off. Let air dry to original beauty. It may be necessary to repeat application for excessive dust build-up.

**REPLA-CLEAN CONCENTRATE**

Replica/Preserved Foliage & Flower Cleaner is for cleaning and restoring the beauty of your Preserved or Replica Plants/Trees and Flowers. It is scientifically formulated to safely clean by penetrating and removing dust from the leaf surface. REPLA-CLEAN is the ONLY cleaner approved for use with all of Preserved TreeScapes products.
